*Signature of mooring holder or person authorised to sign
on behalf of the mooring holder*

Signature of boat owner

Date

Date

NOTES

- Approval from the Harbourmaster's office is required prior to a change of vessel.
- The change of vessel will not be approved unless there is an up to date mooring certificate for the mooring, or indication in writing that arrangements have been made for the mooring to be lifted and inspected by a Regional Council approved mooring contractor.
- The boat owner must satisfy themselves as to the adequacy of the mooring when considering the size of the vessel intended to be moored.
- The boat owner must give consideration to the position of the mooring relative to other moorings in close proximity and the possibility that larger or different vessels than those that originally occupied the mooring may endanger or damage other moored vessels.

If any uncertainty exists with regard to the above, advice may be obtained from Bay of Plenty Regional Council and an approved mooring contractor.

Bay of Plenty Regional Council, in processing this REQUEST TO CHANGE VESSEL ON MOORING accepts no liability for the inadequacy of any part of the mooring to securely moor a particular vessel (see Bay of Plenty Regional Navigation Safety Bylaw, clause 3.12).

A letter acknowledging the approval of this vessel will be sent to both mooring holder and boat owner.

Payment details

Pay online at <https://www.boprc.govt.nz/do-it-online/make-a-payment> (select 'Pay an Invoice'). Or if you prefer to pay cash or eftpos, call in to one of our offices at the locations below. Any credit card payment will incur a 2% surcharge.
