Bay of Plenty Regional Council

Resource Consent

Pursuant to the Resource Management Act 1991, the **Bay of Plenty Regional Council**, by a decision dated 27 August 1997, **hereby grants:**

A resource consent:

- Pursuant to section 105 of the Resource Management Act 1991, to DISTURB THE SEABED AND FORESHORE AND TO ERECT A BOAT RAMP

subject to the following conditions:

1 Purpose

1.0 For the purpose of erecting a boat ramp at Ohiwa Loop Road, Ohiwa.

2 Location

2.0 Ohiwa Loop Road, Ohiwa.

3 Map Reference

3.0 NZMS 260 W15 738 464

4 Legal Description

4.0 Legal Road and Crown Land (seabed), Block VII, Whakatane SD

5 Works

5.1 The boat ramp shall be constructed in accordance with plan 57363, prepared by Martin McCauley Morton Ltd and submitted with the application.

5.2 The operation of machinery in the coastal marine area shall be confined to the hours 8.30 am to 5.00 pm Monday to Friday (inclusive).

5.3 All surplus excavated material shall be removed from the coastal marine area for disposal.

5.4 All machinery movements on the foreshore shall be kept to a minimum.

5.5 There shall be no stockpiling of any material within the coastal marine area.

5.6 The boat ramp shall be maintained in good structural condition at all times.

5.7 The works associated with this permit shall be carried out under the supervision of a registered

engineer.

- 5.8 The consent holder shall remove all plant, machinery, equipment, debris and other material associated with this operation from the foreshore at the completion of the operation.
- 5.9 The construction shall be completed within two weeks of commencement of the works.
- 5.10 Provision shall be made to prevent vehicle access, other than via the boat ramp, to the foreshore from the car park.

6 Notification

- 6.1 The consent holder shall inform the Regional Council in writing at least 3 working days prior to exercise of this consent and within 5 working days following completion of the works.
- 6.2 The consent holder shall inform the Regional Council in writing at least 3 working days prior to exercise of this consent of the name and contact details of the registered engineer referred to in condition 5.7 above.
- 6.3 Within 30 working days of completion of the works the consent holder shall submit a certificate signed by a registered engineer to certify that the structure has been constructed in accordance with good engineering practice and with 57363, prepared by Martin McCauley Morton Ltd and submitted with the application.

7 Mitigation

- 7.0 All existing rock/concrete debris shall be removed from the foreshore for a minimum distance of 20 metres to the north of the proposed ramp and removed from the coastal marine area.

8 Term of Permit

- 8.0 This permit shall expire on 30 November 2031.

9 Resource Management Charges

- 9.0 The consent holder shall pay to the Bay of Plenty Regional Council such administrative charges as are fixed from time to time by the Regional Council in accordance with section 36 of the Resource Management Act 1991.

10 This Permit

- 10.0 THIS PERMIT is hereby granted under the Resource Management Act 1991 and does not constitute an authority under any other Act, Regulation or Bylaw.
