

Te Puke WWTP - Questions for the Applicant Witnesses

Witness	Question
<p>Ertel para 48 Shaw paras 17 and 54(c) Harkness para 44</p>	<p>I understand that the Stage 3 alternative options assessment is due to be completed by 2026 at the latest?</p> <ul style="list-style-type: none"> ▪ Is that correct? ▪ What is the earliest date it might be completed? ▪ How long after completion of the assessment might consenting of a selected option take? ▪ How long after completion of the assessment might detailed design and tendering of a selected option take? ▪ How long after completion of the assessment might construction and commissioning of a selected option take?
<p>Harkness para 27</p>	<p>Is it definite that the WWTP will receive wastewater from the Rangiora Business Park as other witnesses seem equivocal about that? If it is definite when (earliest and latest dates) might that occur?</p>
<p>Harkness</p>	<p>Can you please also answer the questions on the recommended conditions posed to the s42A report author? It would be helpful to prepare a joint response between yourself and the s42A author, showing any areas of agreement or disagreement, including with regard to any revised condition wording resulting from the questions.</p>
