

Bay of Plenty Regional Council

Western Bay of Plenty General Constituency

Electing 2 Regional Councillors

Jenny HOBBS

Independent

My principal place of residence is in the Western Bay of Plenty General Constituency area.

My Vision is to see green corridors coming down from the Kaimai/Mamaku forests to the sea, with clean flowing water teaming with life, preventing sedimentation of harbours and helping restore the natural balance of fresh/salt water environments. We want to protect wildlife pathways and habitat within urban and rural development plans for the sake of future fauna and flora biodiversity.

As outgoing Chair of Katikati Community Board, I've served the Western Bay for six years, been a Board member of the Community Resource Centre and founded the EnviroKatikati Charitable Trust. With a farming background and a science degree, I'm also an avocado grower and a business owner and you can depend on me to represent you with energy and confidence. I'm a fierce advocate for the environment and our communities and I make this pledge: I will be visible in your community, listen to you and keep you informed.
