Tauranga Harbour

Tauranga Harbour

Objective

```
TH O1 (Objective 18) Achieve the sustainable management of riparian margins (excluding artificial watercourses, and ephemeral flowpaths), which may include retirement, in the following priority catchment:
```

- (a) Tauranga Harbour
 - (i) Harbour margins 100% by 2010.
 - (ii) Rivers and streams in the Tauranga Harbour catchment 80% by 2020.
