# Possible Consultation Questions

## Topic: Mode Shift

- How do we encourage people to shift away from cars and onto public transport, cycling, or walking?

# Possible Consultation Questions

## Topic: Regional Fare Review

### *Weekly Fare Cap*

- Do you support the introduction of a weekly fare cap to support bus users that utilise bus services on a regular basis?

### *Free Travel for the Disabled*

- Do you support free travel for people with a disability?

### *Community Service Concession*

- Do you support providing a reduced fare rate for people that hold a Community Services card? (40% concession)

# Possible Consultation Questions

## Topic: Network Changes

### ***A Pyes Pā and the Lakes Service:***

- Do you support a new bus service to improve coverage of regular bus services in the Lakes and Pyes Pa area to connect to Tauranga Crossing?

### ***Kawerau On-Demand Service - Trial***

- Do you support trialing a door-to-door collection service that could collect passengers from their homes with drop-offs to various locations within Kawerau?

### ***Ōpōtiki and Kawerau Health Shuttle - Trial***

- Do you support trialing an Ōpōtiki and Kawerau Health Shuttle specifically for patients that require transport to and from key medical services such as Whakatāne hospital and speciality services, such as, maternity clinics?
