I am writing to update you on the governance group's decision regarding the request to include Te Upokorehe in the iwi and iwi-related groups statistical classification.

I am happy to advise that after careful consideration Te Upokorehe has been included in the new version of the classification.

Stats NZ has published the new Iwi statistical standard, which includes the updated classification, on our website. You can access the standard and classification at <http://www.stats.govt.nz/methods/classifications-and-standards/current-classifications-and-standards-review/final-iwi-std-2017-review.aspx>.

The updated classification will be used in the 2018 Census and your iwi will be included in the 2018 Census guide notes.

Thank you for the time you have taken to put together the information for your request for inclusion. We are aware of the considerable effort that goes into bringing this information together.

If you have any questions, please contact Classifications and Standards, phone (03) 9648700 or email, classifications@stats.govt.nz.
