Please find enclosed a hard copy and an e-copy of AFFCO Rangioru's application for a resource consent to discharge amenities wastewater to land at the Rangioru facility.

I have arranged for payment of the application fees directly by AFFCO Rangioru under separate cover.

I also note that AFFCO has no objection to Council extending timeframes under Section 37 of the RMA for the purpose of providing adequate time for Council to complete its Section 88, and if necessary to ask for and be provided with additional information.

Please don't hesitate to get in touch if you need any further information at this stage.

Yours faithfully
