Application for a Resource Consent – Resource Management Act 1991 (s.88)

4B Industrial Discharges to Land and/or Water (including stormwater)

Before you make an application it is recommended that you talk or meet with a Consents Officer to discuss it. A Consents Officer may also be able to undertake a site visit to provide further advice noting that a pre-application service charge may apply.

If you would like to arrange this, please phone 0800 884 880.

If you are applying for more than one activity and you have already completed the basic details in Part 1 on another form, go straight to Part 2 of this form.

See notes to Applicant (last pages of form) before proceeding with application form.

Discharge activities are subject to rules in the Regional Water and Land Plan. This plan can be found on our website at <http://www.boprc.govt.nz/knowledge-centre/plans/>.

Reviewing and understanding the rules and assessment criteria applicable to your activity will assist you with preparation of your assessment of environmental effects.
