**SUBMISSION POINTS:**

Page No	Reference (e.g. Policy, Rule, Method or Objective number)	Support/Oppose	Decision Sought  Say what changes to the plan you would like	Give Reasons
15	Rule AQ R21	Support	Retain rule AQ R21	Legacy supports rule AQ R21, as it means crematoria installed prior to 27 February 2018 continue to be permitted activities and do not require retrospective resource consents. Legacy considers this approach is appropriate as it enables and provides for existing crematoria, particularly those which have been recently installed to suitable standards, which provide an important community service.
