Further submission from Trustpower on the Proposed Plan Change 13 (Air Quality) is as follows and contains:

- the particular parts of the original submission (as derived from the summary of submissions) that Trustpower has submitted on;
- reasons for the submission; and
- the decision sought.

As a generator and supplier of electricity, Trustpower has an interest in the proposal that is greater than the interest the general public.

Trustpower wishes to be heard in support of its submission.

If others make a similar submission, Trustpower would not be prepared to consider a joint case.
