Deferral of Hearing – Revised Dates

- [1] In our Minute 1 dated 28 September 2021 we decided that Ziwi Limited's application for a deferral should be granted and the Hearing should be set down for the week commencing 14 February 2022.
- [2] By way of a Memorandum dated 30 September 2021 counsel for Ziwi Limited sought that the Hearing be held in March 2022 because counsel is currently scheduled to be in the Environment Court in Dunedin in the week commencing 14 February 2022 and the Ziwi planner, Ms Deanne Barretto from Golder Associates, has a long-standing family commitment for the entire month of February 2022.
- [3] Clearly Ziwi need to have their counsel and planner present at the Hearing.
- [4] Unfortunately, due to prior commitments of the Hearing Commissioners, the next suitable date for a Hearing is the week commencing 28 March 2022. We acknowledge and regret the disappointment this will cause to Submitters who wish to see this matter expedited.
- [5] We therefore amend the requests contained in Minute 2 as follows.
- [6] We request that:
- i) Ziwi Limited apply to vary their application as set out in paragraph [8] of Minute 1 as soon as possible, but no later than 8 October 2021, and
 - ii) Provided that i) above is complied with, a new Hearing date is set down by BOPRC in liaison with Ziwi Limited for the week commencing 28 March 2022.
