Tena koe,

Re: Further Submissions on Change 5, Bay of Plenty Regional Policy Statement

1. We act for The Proprietors of Taheke 8C & Adjoining Blocks Incorporation (**Taheke 8C**). Taheke 8C submitted on Plan Change 5 and has reviewed the table of submission's provided by Council. Taheke 8C has nothing further to add with respect to its own primary submission.
2. Our client has also reviewed the further submission of Eastland Generation Limited (**Eastland**) filed by Eastland Counsel. As noted in Eastlands further submission the company is in partnership with Taheke 8C to develop the geothermal taonga under Taheke land. Taheke 8C therefore wishes to confirm its support for Eastland's further submission.
3. Finally, in addition to its own primary submission Taheke 8C wishes to be heard in support of the matters raised in Eastland's further submission as they relate to the Taheke Project.
4. Please do not hesitate to contact us should you have any queries.
