

# Annex 6 – Memorandums of Understanding (MOUs)

Bay of Plenty Regional Council maintains close and engaged working relationships with all key partner agencies and neighbouring regions, including (but not limited to) the following:

- Port of Tauranga
- Department of Conservation
- Fire and Emergency New Zealand
- Gisborne District Council
- Environment Waikato Regional Council

Where any of the agencies listed above request assistance from BOPRC, and as far as we are practically able to provide the assistance requested, we will endeavour to provide it. We will also regularly engage on all other matters relevant to marine oil spill response including spill planning, exercises and prevention. All actions taken by BOPRC will be consistent with existing and any future MNZ policies and/or MOUs relevant to marine oil spill response.
