Re: AFFCO New Zealand Ltd's application to renew the water take consent for the meat processing facility in Rangiuru

Thanks for your email dated 16th March 2021.

Consent 02 0194/1 details the water take from their bore. AFFCO are seeking the following wording change:

The daily quantity of water taken shall not exceed 1,636 cubic metres (360,000 gallons) and the maximum rate of taking shall not exceed 37.9 litres per second (500 gallons per minute). ~~Water from this source will be used in emergency circumstances only.~~

Should you have any questions or require clarification about any of the above information or documents, please contact the writer.

Yours sincerely,

Luke Gowing

Principal Environmental Consultant
Argo Environmental Limited
