

Bay of Plenty Regional Council
Tauranga General Constituency
Electing 5 Regional Councillors

Andrew VON DADELSZEN

My principal place of residence is in the Tauranga General Constituency area.

A Tauranga resident for 34 years, Justice of the Peace, and 4th term Regional Councillor, I need your vote. My hard work makes a real difference on behalf of ratepayers.

Please vote for sensible Councillors, who believe in science-based decision making - not fluffy rhetoric. The Regional Council needs councillors who understand what efficiency and effectiveness really means. With our strong balance sheet, our Regional Council has the opportunity to make a real difference for our communities.

Stop the PC nonsense, and get on with environmental sustainability. We need Councillors that believe in action not words.

I am passionate about reversing the degradation of Tauranga harbour, and I chair the Rotary Centennial Trust for the restoration of the Kopurererua Valley. A qualified Resource Hearings Commissioner (Chair certified), I am a past Director of Crown Research Institute, Plant & Food. Qualified with an MBA, my strengths include strong governance. Vote VonD.
