Kat MACMILLAN

Vision Tauranga

My principal place of residence is not in the Tauranga General Constituency area.

We're at a turning point for liveability and sustainability in the BOP. To meet these challenges, your regional council needs proven leaders with fresh ideas and energy.

I promise strong accountability and a value for money mindset. I'll listen to our community and encourage participation, and drive for a respectful, inclusive and engaging Council culture. I'll work for sustainable outcomes for water, transport, climate and the environment; and effective partnerships with Māori that honour their rights and culture.

I bring twenty years management and leadership experience. I've served as CEO of Tauranga Riding for Disabled and Heart Foundation Regional Manager. I'm a leadership coach, hold a science degree and co-founded a thriving local design and manufacturing business.

I've lived in Tauranga for sixteen years, have a lifelong passion for nature, and am ready to serve as regional councillor.
