My principal place of residence is in the Tauranga General Constituency area.

Constituent's, my Name is Mark Fogerty, I am a Kiwi returned from Au during Covid to give back to many mentors. Now I am the older wiser.

I was fully self-sufficient and naturally self-

funded!

Practical experience. Critical infrastructure gave me a purpose. Civil construction, wharfs, roading, bike lanes, traffic control, compliance management, front facing negotiation, general communications, first aid.

AU BDM, professional service, building, sewage, security services contract communications specialist for QLD Rail, major facilities, event security where communication in a high-pressure environment required a cool head.

These included River-Fire Festival. Big Pineapple Festival, Central Station during the Gold Coast Commonwealth Games assuring tourists and guests find their way to accommodation safely as a few examples.

Striving for an environment disenfranchised communities feel valued. Vote, volunteer or add value!
