Brief proposal

Tell us about yourself

Include your whakapapa or family connections to the Bay of Plenty. Describe the ways in which you are involved / contribute positively to the BOP community and environment.

Tell us about your field of study

Explain how it will contribute to improved outcomes for the taiao and our community. Also, explain how your studies align with your future career path.

Tell us why you applied

Explain what motivated you to apply for this scholarship. Specifically, please describe any challenges you have overcome, or are currently facing that would otherwise impact your ability to commence / continue your studies. For example: family responsibilities, disability, location/travel requirements and financial hardship. You can mention other factors that may have affected your ability to pursue your studies.

Conditions

- Preference is given to applicants who whakapapa, reside or actively maintain a demonstrable connection to the Bay of Plenty.
- Applicants must be enrolled to study at a University, Whare Wānanga, Polytechnic, Institute of Technology, Teachers Training College or comparable tertiary institution.
- Applicants must be in their 2nd year or subsequent year of study.
- Applications and supporting documentation must be received before the specified closing date/time. Late applications will not be considered.
- Successful applicants are required to provide an update within 6-12 months of your academic progress.
- Successful scholarship recipients are expected to attend Toi Moana Bay of Plenty Regional Council Komiti Māori upon invitation to formally receive award.
- Scholarship recipients agree that the Toi Moana Bay of Plenty Regional Council may include details of the recipient holder for promotional purposes.
- Applicants will be notified of outcome via email no later than 5pm Sunday 2 June 2024.
- Applicants consent to the Council contacting the named referee.
- All applications must be submitted no later than 5pm Sunday 19 May 2024.

In accordance with the Privacy Act, all the information provided in this application will be used in the assessment of an applicant for a scholarship.
