## **RE: Resource Consent Application - Tauriko West Stormwater Discharge**

---

Tēnā koe Eleanor,

Please find the enclosed completed Bay of Plenty Regional Council (BOP RC) application forms, resource consent application and appendices, for a resource consent application on behalf of Tauranga City Council (TCC) relating to the discharge of stormwater (to water and onto or into land in circumstances where it may enter water) from the Tauriko West Urban Growth Area (Tauriko West) as a comprehensive stormwater consent (CSC).

This stormwater discharge is part of a package of activities which will enable the development of Tauriko West, which one of the development areas being progressed in Tauranga City to meet TCC's obligations under the National Policy Statement for Urban Development (NPS-UD).

Under section 95A(3)(a), the applicant requests public notification of the resource consent application.

As per our pre-application discussions, a set of conditions have been developed for this application, these are included as Appendix O of the application.

TCC are seeking a consent duration of 35 years, and a lapse period of 10 years.

Included is a Purchase Order reference for the lodgement fee, reference 4500039923.

We trust all relevant information has been provided, however, if you have any questions please feel free to contact us.

Regards,
